

Central Resource Area

SCIENCE, DESIGN & TECHNOLOGY CENTRE

The Boys' Grammar School, Torquay, Devon

Client: The Board of Governors
Client Contact: Mr R Pike,
Headmaster
Telephone: 01803 615501

This scheme was the first phase of a 5-year development programme. It comprised the refurbishment and extension of the existing Art / Woodwork / Metalwork building to provide Science Laboratories, Multi-materials Rooms, Sculpture and Graphics Art Rooms, Control Technology, IT Facilities and Resources Areas with all of the ancillary accommodation necessary. Funded by Central Government, the new Centre has become an exemplar for Secondary Schools and Technology in the south-west.
