

Food Technology Room

Exterior Bay

**DESIGN & TECHNOLOGY CENTRE**

Wymondham College, Morley, Norfolk

Client: The Governing Body

Client Contact: Mr C I Richardson

Telephone: 01953 605566

The Centre comprises 2 phases of a £3.3million programme to replace war-time temporary accommodation. It provides for Multi-material, IT and Control Technology, Food Technology, Design facilities, Sculpture and Graphics, with a Central Resource Area and all necessary ancillary accommodation.

Generating factors in the design were:

1. The building must support and encourage an integrated curriculum.
2. The building must be capable of being built in self-sufficient phases.
